

California Proposition 65 Declaration

July 11, 2023

To our customers:

California Proposition 65 (formally known as the Safe Drinking Water and Toxic Enforcement Act of 1986) was enacted as a ballot initiative in November 1986. According to Proposition 65, the manufacturer must provide a warning as to notify whether the product may expose a person to a nationally prescribed chemical that may cause cancer, birth defects or other reproductive harm.

The latest California Proposition 65 list was announced on April 21st, 2023. For all chemical information, please refer to the following website:

[April 21, 2023 Proposition 65 List](#)

Some machined metals used in Winner Hydraulics Corporation's products contain a very small amount of Lead and exposed components of our products are Zinc-Nickel plating, though it is expected to have low exposure and will not contaminate food or source of water under normal or foreseeable intended use, it is still possible to expose users to contact chemicals.

In response to California's Proposition 65 proposal, Winner Hydraulics Corporation's informs our authorized distributors and customers that if they sell Winner Hydraulics Corporation's products to California, they should provide appropriate warnings.

WARNING

This product can expose you to chemicals including Lead and Nickel, which are known to the State of California to cause cancer, birth defects or other reproductive harm.
