

## Declaration of Conflict-Free Minerals

July 11, 2023

To our customers:

Due to 《Dodd-Frank Wall Street Reform and Consumer Protection Act》 (H.R.4173 section 1502), is passed by U.S. in 2010. Winner Hydraulics Corp. declares that all products are conflict-free minerals. Conflict minerals are tantalum (Ta), tin (Sn), tungsten (W), gold (Au) etc. These minerals are from Democratic Republic of Congo (DRC) or adjoining countries' conflict areas. Mining is done illegally through looting, human rights violations, and oppression.

Winner Hydraulics Corp. fulfills social responsibility, human right, environmental protection, and continues to focus on conflict minerals issues. To ensure the source of materials by managing the supply chain. Winner Hydraulics Corp. commits to:

1. Do not purchase conflict minerals produced from conflict areas.
2. Do our best efforts to refuse the conflict minerals from conflict areas.
3. Compliance with international regulations related to conflict minerals.
4. Fulfillment of social and environmental responsibility.

Winner will continue to monitor and focus on conflict minerals. If you have any questions related to product compliance, please feel free to contact us.
